

Recommendations for ENHANCING ACADEMIC INTEGRITY

CLEAR AND CONSISTENT POLICIES

Institutions must create and communicate clear policies on academic dishonesty to ensure shared understanding among students and staff.

ROBUST WHISTLEBLOWING PROCEDURES

Implement strong whistleblowing systems that protect individuals from retaliation and promote transparency.

PROACTIVE ETHICAL LEADERSHIP

Academic leaders should model and promote integrity, creating environments that discourage dishonesty and support whistleblowers.

FOSTERING A CULTURE OF ACADEMIC INTEGRITY

Encourage discussions on integrity, provide ethics training, and recognize honesty to embed ethical behavior across the institution.
